## Compliance information.

Following the change of name all materials and external references will be updated, excluding the Society's online mortgage application system which will be replaced in 2022 and, until that time, will remain functional and branded as Ipswich Building Society. As a result the Ipswich Building Society name and brand will remain in use for existing cases and any new cases submitted after 9 November 2021. Intermediaries and their clients are therefore advised they will see both names during the application process. The Society's legal entity and registration with regulators remains the same and legally binding offers will remain valid.
